

Predrag Radovanovic
Owner & Manager
(ex Nittoku Engineering,
Bodine Assembly & Test Systems)

“We are an experienced and talented team that provides award winning engineering services based on a western project management, with high quality and efficiency, but at very competitive prices. Pass your ideas, projects or work overload to us and our engineers will do the rest!”

REAL TIME COLLABORATION & FULL VISIBILITY

Our projects are placed and communicated on a safe and secure **Dassault Systemes SolidWorks PDM** and/or **3DEXPERIENCE** platform – available for you to access, review, comment and collaborate at any time, from any location and any device.

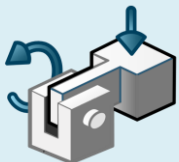

WESTERN STANDARDS DESIGN & MANAGEMENT

20+ years of experience working for companies in the USA and Europe.

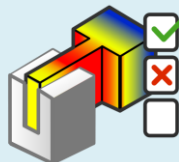

Choose from both metric and/or imperial measures, EU and/or USA/Canada standards, full outsourcing or collaboration.

SOLFINS ENGINEERING TEAM FACTS & NUMBERS

- **10+** engineers 100% available for your projects
- **12+** years avg. engineering team member experience
- **7+** years avg. eng. team member working in Solfins
- **Class A offices** in Belgrade, capital of Serbia, SE Europe
- **15+** additional Solfins engineers available

Concept development and new design modeling

Calculations and simulations (FEM, CFD) – optimization and design approval

Design detailing, product and manufacturing documentation

2D > 3D your legacy conversion and PDM/PLM entry

FIELDS OF DESIGN EXPERTISE

references and details available on request:

- **Heavy equipment (oil and gas drilling, construction)**
(Drillform, CA; Miva Engineering, CA)
- **Special machinery**
(All Tool Automation, Canada)
- **Factory automation equipment (automatic assembly, coil and motor winding)**
(Bodine [AG Russel], USA; Mikron SA, CH, Nittoku Europe GmbH, AUS)
- **Medical devices** (confidential)
- **Transportation systems**
(Michelin Polska S.A., PL)
- **Product design** (confidential)

SOLFINS d.o.o.

Founded: 2004
Revenue: EUR 4+ mln
HQ: Belgrade, Serbia, Europe
Employees: 35+ FTEs
Works hours: 8-18h CET (GMT+2)
